Sir,

In inviting reference to the marginally noted extract from the memorandum submitted by certain members of the Tumkur Town Municipal Council to the Dewan and the Minister for Local Self-Government and Public Health on 24th July 1944 urging for the payment of a generous Government grant for the purpose referred to, I am directed to state that, if and when the Municipal Council submit definite proposals showing the improvement works to be taken up the period over which and the stages in which the schemes would be carried out, the probable cost of the scheme and how the scheme would be financed, the question of the Government giving a grant in this behalf would be considered. The Municipal Council may accordingly be addressed to prepare a five year programme of works in the order of urgency and importance and submit them to Government for approval, pointing out the ways and means of financing the scheme.
